FMI Emerge Program & Community

Helping Emerging Brands Secure More Shelf Space.

Food Marketing Institute proudly advocates on behalf of the food retail industry, which employs nearly 5 million workers and represents a combined annual sales volume of almost $800 billion. With FMI Emerge, we play a vital role in preparing and educating small food manufacturers and emerging brands, to move forward and seek grocery retail distribution.

Moving Your Brand Up The Food Chain
Save 50% on FMI Emerge Mentor, Patrick Nycz’s book “Moving Your Brand Up The Food Chain”
“There are so many connections we’ve been able to make in the FMI Emerge Community. I feel like, one, we’re part of a community and, two, we get access to the expertise we need in a very short amount of time.”

Steve Bava, Bava Brothers

“We know we still have a long way to go, and we don’t have a huge staff...yet...but we feel like everybody that FMI Emerge has led us to is part of our team now and a great business resource for us. Thank you Emerge!”

Clint Matthews, Wafflepreneur & co-founder, Start Right Foods

“This program has been SO HELPFUL for us! As a social impact entrepreneurs, it has been a privilege to share our passion for helping young companies develop a consciously created corporate culture (4-Cs!) As an emerging brand, I have found the resources and support from FMI and FMI Emerge mentors invaluable.”

Meg Barnhart, founder and co-creator, the Zen of Slow Cooking

“Every mentor Gourmet Nut connects with as part of the FMI Emerge community is incredibly generous with their time and nothing short of amazing with the helpful and actionable knowledge they share with us. Since joining, we have been able to develop a clear sales structure to facilitate rapid distribution growth, align with a new network of brokers across multiple trade channels and identify the best Private Brand target accounts for us. Julie and her team have even steered us to some business topics and connections we didn’t know we needed but that we have benefited greatly from like coaching on creating a better 'pitch deck' and improving conversion rates on our new e-commerce platform.”
